Wireless Community Input

Monday, May 4th, 7:00PM in the Pitts Center, the Wireless Committee will be holding a community outreach workshop. The objectives of this workshop are to:

- Present the Wireless Committee's preliminary findings regarding cellular signal coverage within Southern Shores.
- Discuss the project team's preliminary recommendations regarding proposed ordinance changes that would encourage tower companies and carriers to consider investing in new wireless facilities that would improve the quality and range of signal coverage throughout Southern Shores.
- Answer questions and to listen to stakeholder and public comments and concerns.

This workshop is your opportunity to provide input to the process before the committee makes its recommendation to the Planning Board and the Town Council.
