Town Council Meeting, Cancelled Tuesday, July 28

From the Mayor: Teamwork

After many years and a lot of teamwork, the Canal Project is getting closer and closer. I am proud to lead our Town Council, a dedicated group who together with our professionals and Town staff, have won the victories that have gotten us this far. Thanks again team!

Our Canal Project Manager, Tom Bennett, will be making frequent status reports and advising Town citizens, especially canal-front property owners, of requirements and responsibilities in preparation for the dredging process. Please stay tuned for his messages – everyone's cooperation is needed to ensure the success of this vital project which we have worked so hard to achieve.

Don Smith,
Mayor

From the Town Manager: Community Participation & Communication

I join Mayor Smith and the Members of Town Council in encouraging all citizens to attend Council Meetings and communicate directly with the governing body.

The Town is taking every opportunity to keep our citizens notified of Town business and activities, the weekly messages from our Canal Project Manager is but one example. Please help us to better serve you. Stop-in, call, email, or write – we welcome your input.
