### **From the Canal Dredge Project Manager.....Update**

North Marina...

The ramp is open and the parking lot is graveled and usable. We had a few washouts as a result of Monday's rain but they are on schedule for repair and will not affect the use of the site.

Our contractors continue to explore options as to methods and disposal / dewatering sites. As they narrow those options and present the Town with their proposal, you will be kept informed.

Finally, the weather looks promising for a very special Easter weekend. I hope each of you find it to be just that.

As before, you can reach me @ (252) 619 5996 or [jwbobx@embarqmail.com](mailto:jwbobx@embarqmail.com)

Thank you
