

## **Southern Shores Town Hall News Friday, June 11, 2010**

### **Important Notice**

Dare County Water Department reported a water main break at 136 Clamshell Trail. Approximately 42 homes have been affected and water to these residents will be off today between the hours of 1-6 PM while they work on the break. Door notifications will be placed on the affected homes by the water department.

### **From the Canal Dredge Project Manager - Update**

The contractor is working with our Town Engineer to prepare the documentation required for our permit modification request.

#### JUST A REMINDER

The main channel is no longer 100'+ wide. We were required to conform with the original channel alignment in repositioning the channel markers. Caution must be used in transiting the channel, especially in a larger boat. The idea of a "No Wake" zone has been discussed and is under consideration. Please slow down - especially when passing another boat!

Thanks for your cooperation. I welcome your thoughts @ 252 619-5996 or [jwbobx@embarqmail.com](mailto:jwbobx@embarqmail.com).
