Meeting Reminder Meals on Wheels Wednesday July 7th at 10:00 AM, Pitts Center

The Albemarle Commission Senior Nutrition Home Delivered Meals Program delivers meals to homebound seniors over sixty years of age who are unable to prepare their own meals. This program is need-based and not related to income. This service also helps having someone check in on a person to make sure they are all right.

This service need has recently grown in the Southern Shores area. In order to finalize the details of service to our Town, a meeting has been set for Wednesday July 7 at 10 AM in the Pitts Center. Details about the program, delivery needs and requests will all be discussed and is open to all volunteers, those in need or family members of eligible recipients in the Town of Southern Shores.
