Remedial actions, if not already implemented, should be taken to correct any noted problems. The Division of Water Resources may pursue enforcement actions for this and any additional violations. If the violations are of a continuing nature, not related to operation and/or maintenance problems, and you anticipate remedial construction activities, then you may wish to consider applying for a Special Order by Consent (SOC).

If you have any questions concerning this matter or to apply for an SOC, please contact Victoria Herdt of the Washington Regional Office at 252-948-3844.

Sincerely,

Robert Tankard
