

Hello Southern Shores Voters / Residents!

The **Dare League of Women Voters** is sponsoring a **Candidate Forum** in support of your Town Government elections this November! We encourage you to both submit a question for the candidates before the Forum &/or attend the Forum in person and ask a question for the candidates at that time! We believe that is very important to the democratic process for voters to have an opportunity to ask questions and to hear the views of those seeking office. We hope you will join us!

Here are the details:

Date: Monday October 2, 2023
Time: 7:00 – 8:30 PM
Location: Pitts Center Meeting Room

To submit a question to the Candidates email: lwvdare@gmail.com *Be sure to include your name & town!*

The Forum will be taped and available for you to view through your town's website, on our website, and on the GovTV channel, if you are unable to attend the event.

Ahead of elections this fall, the League of Women Voters of Dare County also offers the nonpartisan election resource **VOTE411.org**. This "one-stop shop" for election information provides simple, helpful tools to help NC voters navigate the voting process. **VOTE411** is the nation's premiere online election resource, and the League of Women Voters of Dare has published our voter guide on **VOTE411** to serve as a resource for all of Dare County voters. Go to www.vote411.org for all the election information you need.
