Permits which are lost or stolen are subject to a \$75 replacement fee for each permit replaced. Permits in the form of windshield stickers needing replacement due to vehicle sale/windshield repair are replaceable at no charge if the remains of former sticker are scraped off and turned in.
- Beach access parking permits are only valid during the year(s) printed on the permit. Permits in the form of hangtags are to hang from vehicle rear view mirror at all times while parked in Town-designated beach access parking areas. (Be sure to remove permit from rear view mirror when you leave Town parking areas.)  
**Permits in the form of windshield stickers must be permanently affixed with sticker's adhesive backing to the lower passenger side windshield of vehicle.**

A **maximum of 2** beach access parking permits (windshield sticker, hangtag, or one of each) will be issued to a property owner, regardless of how many persons or entities concurrently own the same property and regardless of how many separate properties are owned.)

Year round renters providing a copy of a 12-month minimum lease will be issued a **maximum of 1** beach access parking permit per rental property, regardless of the number of tenants on lease.
