

TRASH & RECYCLING -SCHEDULES & INFORMATION

Trash- “Off-Season” Labor Day to Memorial Day = **Monday (Year-Round)**

Trash- “In Season” Memorial Day to Labor Day = **Monday & Friday (begins Fri. June 1, 2018)**
(ends Mon. Sept. 3, 2018)

Recycling- Wednesday (Year-Round)

- Roll your collection cans out the night before - collection begins at 3:00 a.m.
- Trash or recycling placed outside of or on top of the cans will not be collected.

To Purchase new or Additional cans: Please call Bay Disposal at 252-491-5105 to purchase trash cans **and** recycling cans (replacement parts may also be available). Payment is accepted over the phone. New homeowner or renter? To begin service just place the can curbside the night before collection.

In the event your trash collection is missed please call Town Hall 252-261-2394.

Trash Guide: Trash cans purchased from Bay Disposal are dark grey. Old trash cans in black or solid dark green are acceptable and may still be used. Trash must be inside can and the lid must be closed. The following cannot be placed into trash cans and will not be picked up: Oil, propane, paint, charcoal, yard waste, construction debris or hazardous waste.

Recycling Guide: Recycling cans purchased from Bay Disposal are green with a yellow lid. Old cans in red/burgundy or blue are acceptable and may still be used. Recycling must be inside can and the lid must be closed. Place clean materials loose in the can (no bagging, tying or bundling). Corrugated boxes must be broken down/cut to fit inside the can. You may recycle: paper products (such as newspapers, junk mail, paper bags, phone books, magazines and catalogs); clean aluminum and steel cans and aluminum foil; clean green, brown and clear glass jars and bottles; and, clean #1 and #2 plastic bottles (only those with neck or pouring spout). No plastic bags, except for those containing shredded paper. Shredded paper is accepted in plastic bags only.

Receptacle size and number:

Residences: Each single residential unit shall have at least one of each town-approved solid waste receptacle and recycling receptacle. Residential units of four bedrooms or less offered for vacation rentals shall have at least two solid waste receptacles and one recycling receptacle. Residential units of five or more bedrooms offered for vacation rental shall have at least three solid waste and one recycling receptacles.

Commercial establishments: The property owner or tenant is required to supply adequate receptacles to accommodate all materials generated at the site
