

## [Find an injured, stranded, or orphaned animal?](#)

If you find a sea turtle nest, injured, stranded, or cold stunned sea turtle you can report it to N.E.S.T. Network for Endangered Sea Turtles 24 Hour Hotline **252-441-8622**  
To learn more about N.E.S.T. visit [nestonline.org](http://nestonline.org)

 If you find an injured, stranded, or dead marine mammal you should report it to OBX Marine Mammal Stranding Network.

OBX Stranding Response **252-455-9654**

To learn more about OBXMMSN visit **OBX Marine Mammal Stranding Network**

If you find an injured, orphaned, or diseased land mammal you can call Outer Banks Wild Care at **252-995-4793**.

The team at Outer Banks Wild Care are licensed rehabilitators and help with land mammals such as fawns, bobcats and beavers. Outer Banks Wild Care can also help you deal with nuisance control. You can learn more about them here [Outer Banks Wild Care](#).

---

Roanoke Island Animal Clinic has dedicated part of their practice to helping injured wildlife. They will treat any wildlife brought in to the clinic from Bald Eagles to dolphins and alligators.

To reach them call **252-473-3117** and to find out more information and see some of the wildlife they have treated go to [Roanoke Island Animal Clinic](#).

For information on injured, diseased, or orphaned wildlife call the NC Wildlife helpline at **866-318-2401**

Coyote Sighting [What to do if you spot a coyote](#).

Hazing is a method that makes use of deterrents to move an animal out of an area or discourage an undesirable behavior or activity. Hazing can help maintain a coyote's fear of humans and deter them from backyards and play spaces.

- Yell and wave your arms while walking toward the coyote.
- Use noise makers like air horns, whistles, pots, or pennies in a can to scare them.
- Throw sticks, tennis balls, small rocks, or other projectiles at them.
- Turn the hose on them.

---

To learn more about hazing visit [The Humane Society Coyote Hazing Guidelines](#), or [NC Wildlife-Coexist with Coyotes](#)

To see a video on Coyote Hazing go here [Living With Wildlife: Coyotes and hazing](#).
