

Addendum No. 8
Path Construction Project
South Dogwood Trail
Southern Shores, Dare County, North Carolina
October 1, 2019

The following shall take precedence over the plans and specifications of the above named project and shall become part of the Contract Documents. Original items of the specifications, contract documents and information indicated on the drawings not herein modified, amended, voided or suspended shall remain in effect.

Proposal

1. Contract Bid Sheet – Lump Sum Price – Alternate Bid Table, Items 1. & 2.: Bid Alternate 1 for Path Segment 1, as depicted on the plans, is for Wild Swan Lane and Bid Alternate 2 for Path Segment 1, as depicted on the plans, is for Osprey Lane. The numbering nomenclature for these bid alternates was erroneously reversed on the original bid form dated 8/8/19 so that the bid alternates listed on the bid table did not match the bid alternates described on the plans. Please find attached a revised Contract Bid Sheet – Lump Sum Prices, page 13 of 16, dated 10/1/19 where this typographical error has been corrected. Bidders shall insert this revised and corrected Contract Bid Sheet – Lump Sum Prices dated 10/1/19 in place of the original bid sheet. Bid proposals **must** contain this revised bid sheet in order to be considered valid.

General

1. All final questions must be made to the engineer by 2 pm today, October 1, 2019. No additional addendums will be issued for questions posed after 2 pm today.
