The June 16, 2020 Council Workshop meeting will be open to the public and available by zoom. The mass gathering restriction under EO141 does not apply to or limit the number of members of the public who may attend an in-person government board meeting and encompasses government officials, staff, and members of the public. A local government governing board can put public health measures in place for in-person board meetings.

In an effort to comply with social distancing guidelines for mitigating the potential spread of COVID-19, citizens who attend the June 16, 2020 meeting should keep a minimum distance of six (6) feet from others prior to, during, and following the meeting. Seating in the Pitts Center has been arranged in a manner that complies with this guideline and seating will be limited. The

meeting recording will be posted on the Town website as soon as possible following the meeting.
